

Monitor Arms

Single & Dual Screen

Single monitor arm
WEIGHT RATING of 10kg.

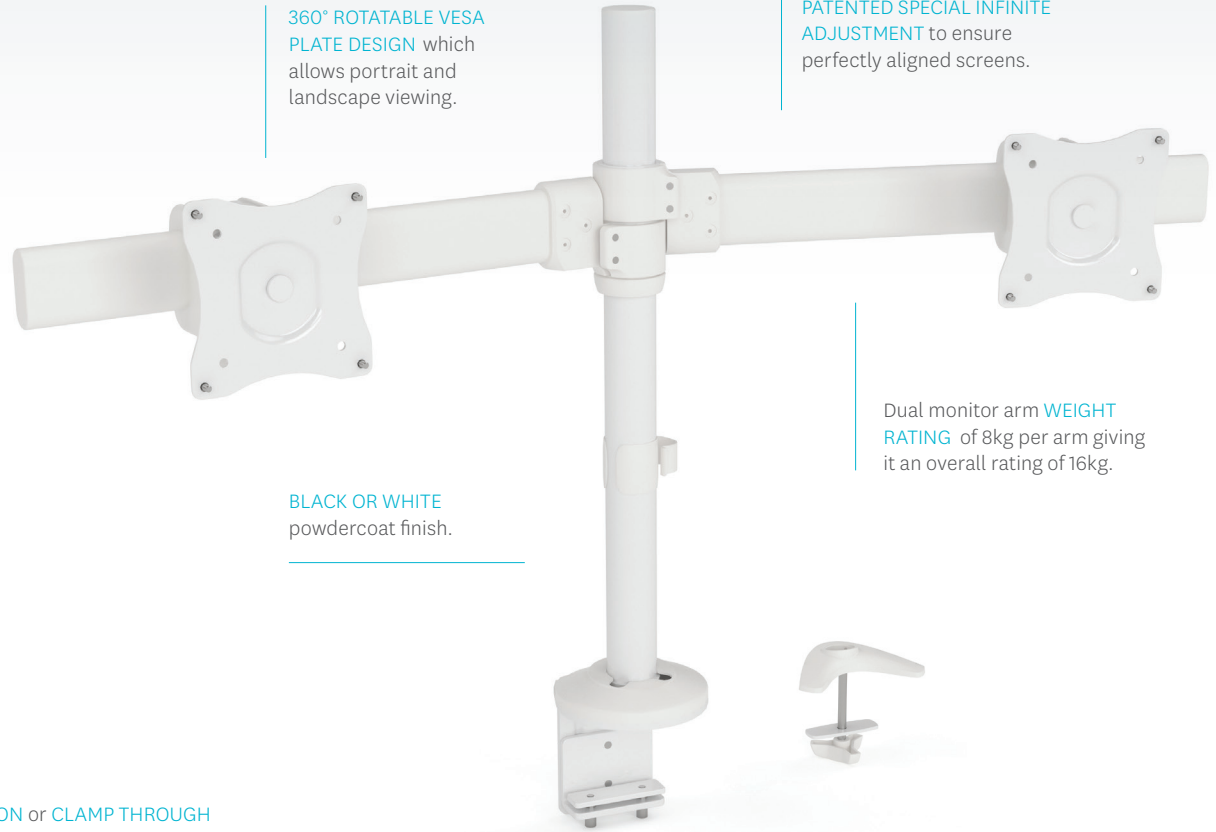

HEIGHT ADJUSTABLE with extra-high pole.

Includes CABLE TIDY CLIPS.

CLAMP ON or CLAMP THROUGH desk mounting.

360° ROTATABLE VESA PLATE DESIGN which allows portrait and landscape viewing.

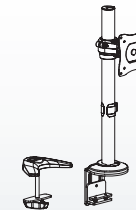

PATENTED SPECIAL INFINITE ADJUSTMENT to ensure perfectly aligned screens.

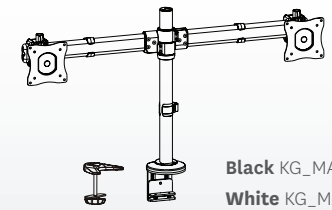

Dual monitor arm WEIGHT RATING of 8kg per arm giving it an overall rating of 16kg.

BLACK OR WHITE powdercoat finish.

These sleek monitor arms allow for smooth, effortless tilt, swivel and height adjustment for different viewing positions. The flat arm design is the only way to accommodate different size monitors while retaining the ability to keep the monitors as close as possible to the back of the desk/privacy screen. Sliding bar technology means the single and dual monitor arm will work with screens from 13" - 27".
